

How to Log in to SunFire Medicare Enrollment

Pinnacle Financial Services now makes available SunFire, Medicare enrollment system.

As a leading Medicare FMO, Pinnacle Financial Services makes available all of the tools necessary for agents to run their businesses.

These resources help agents in increasing efficiency and time management while providing plan recommendations that are best for each and every client.

Pinnacle provides technology that is designed to help agents quote, compare, and enroll Medicare beneficiaries in insurance products, minimizing their total annual costs.

For details on the SunFire enrollment system, please contact a Pinnacle Financial Services Medicare expert.

SunFire login Credentials are as Follows

- **Username:** your email address

If you receive an error that "Username does not exist" or "Username already exists", please contact your upline or a Pinnacle Financial Services representative.

- **Passwords:** follow a standard format: capital X, "#", agent NPN number, and the first three letters of their last name in lower-case.

EXAMPLE: agent name "John Smith" (NPN: 12345)

Password is "X#12345smi"

The Support Team is Here to Help
