Recertification

The 2026 Contract Recertification case is available for you to complete. You will be prompted to (1) verify demographic and payment information, and (2) sign the 2026 contract and W9.

Please Note: Licensed Only brokers and Dual Assignment brokers will not be prompted to update payment information.

IMPORTANT! This is part of the annual certification requirements and must be completed by September 30, 2025 to avoid suspension from marketing / selling ATRIO products.
