## Step-by-Step Instructions

### 1. Log In or Register

Go to the link above and log in with your existing Miramar credentials. If you are a new user, you will need to register.

Register New Program

### 2. Enter Program Code

After logging in, you'll see a field to enter a program code. Please use the following:

 **Agent Program Code:** **3361EmblemHealth1218**

(Refer to the image on the site to ensure correct entry.)

### 3. Complete the Timeline Requirements

You will see a visual timeline that starts with "Start" and "Welcome Form." Follow the prompts to:

-  Confirm/update your contracting information
-  Wait for background and appointment processes to complete
-  Then return to complete your **state-specific certifications**

**Note:** Some steps may require a 24-hour delay to allow backgrounding/appointments to be processed. Please check back the next day if prompted.
