

2026 Select Health Certification Instructions

The 2026 Medicare Recertification module is now live! Please review the details below to ensure a smooth certification process.

Training Module Access:

[Click here to begin the product training](#)

Step 1: Complete AHIP or NABIP Certification

- Both **AHIP** and **NABIP** certifications are accepted for Select Health.
 - Certification must be completed **before** starting Select Health product training.
 - **Submit Results Electronically:**
 - Log into AHIP: [AHIP Select Health Portal](#)
 - Use your regular login credentials.
 - After completion, Select Health will appear in your course completion box. Click **Transmit** to send your results directly to Select Health.
 - **No need to submit certificates manually.**
-

Step 2: Complete Select Health Product Training

- **Product Training Start Date:** July 16, 2025
 - **Deadline:** December 31, 2025 (to sell 2026 plans starting January 1, 2026)
 - Access via the training link above or through the **Link Agent Portal**.
 - **How to access via Link Portal:**
 1. Go to the main landing page.
 2. Hover over the **Medicare** tab.
 3. Select **2026 Medicare Product Training** to begin.
 - At the end of the module:
 - Print and save your completion certificate for your records.
-

- **Do not submit your certificate**—completion is recorded automatically.

✔ Step 3: Link Agent Portal Access

- Portal: selecthealth.org/link/manage
- **Helpful Hints:**
 - Log into the Link agent portal regularly to keep your account active.
 - Accounts not accessed annually will be disabled.
 - Bookmark the page **only after logging in fully** (including 2-step verification).
 - If you get a “Forbidden” error, clear your browser history and re-login.
- **Account Assistance:**
 - Username/Account help: **801-442-4908, option 3** (Agent Experience Department).
 - Training questions: **Clifton.Carling@selecthealth.org**
 - 2-step verification/PingID issues: **801-442-7320** or **MAAS@selecthealth.org**

📌 Important Reminders

- Agents must be **licensed, appointed, and certified** (via AHIP or NABIP) **before** completing Select Health product training.
- For appointments, contact: **Stephanie.Crandall@selecthealth.org**
- For product training questions, reach out to your **Account Executive**.
