

Medicare Plan Review Worksheet

It's important to review your Medicare coverage each year. This worksheet can help you see how well your current coverage meets your needs.

Place a check mark next to each statement that is true for you. The more checks, the more likely your plan is working well for you. If there are not many checks, you may want to consider other plan options.

- My plan has enough to cover my changing health care needs.

- My plan works well with other coverage I have through my employer or union (if applicable).
